13 July 2021

Dear Mr. Fernández,

I was delighted and honoured to receive your kind letter of 12 July 2021. It would be a privilege for me to accept the Adepi 2021 Award and to do so personally at the Lázaro Galdiano museum in Madrid in September. Thursday 16 September would be very convenient for me, but I would also be able to make myself available on any other day of that week.

I am very familiar with the great work of Adepi and of the Spanish collecting societies. It is a special honour for me to receive this award from Adepi as such an important institution in maintaining the vibrant richness of Spanish culture. Please extend my thanks also to the Board of Directors of Adepi.

I look forward to seeing you in Madrid in September.

With best wishes,

Yours sincerely,
